Check it out!

Our clubhouse grounds are getting a makeover.

We have been selected to be featured in a new landscaping show that is to be featured on cable television. The production company's landscaping and film crew will be doing their magic sometime during the next few weeks. Please note that the production company will be managing the "set" and controlling access to the grounds during filming, so please give them your cooperation. Anyone who is given access to the set will need to sign a waiver consenting to the possible use of their image in the featured show. Stay tuned for more details.

What's Happening this Summer?
